Imperial College of Business Studies (ICBS)

INSTITUTIONAL EXCELLENCE

About University of the West of Scotland (UWS)

UWS is a leading modern university in Scotland, recognised for its focus on research with real world impact. Consistently ranked among the top 200 young universities and top 5% of global universities (Times Higher Education).

The DBA Advantage:

The UWS DBA is a professional doctorate with the same status as a PhD but focused on applying theoretical knowledge to complex business challenges.

About Imperial College of Business Studies (ICBS)

As a premier provider of higher education, ICBS blends decades of experience in delivering world class qualifications with modern research driven programmes. ICBS provides local candidates with access to expert tutors, modern facilities, and a collaborative peer network.
